**This product includes not more than 8.00% equivalent crude protein from non-protein nitrogen*

Key Features & Benefits:

- **A Blend of Protein Sources** including urea to help optimize rumen fiber fermentation to maximize the use of poor quality forages and stimulate intake
- **Highly Fortified** all purpose tub including protein, vitamins, macro minerals and a well balanced trace mineral profile
- **Helps Maintain** cow body condition on pasture or when stored forages are fed
- **Weather Resistant Delivery System** can help eliminate waste

Tub Management Guidelines:

Expected Intake: 0.5-1 lb per head per day

Offer one 200 lb tub per 35-50 head of cattle initially, adjust number if needed

This product sheet is intended to provide feeding guidelines, always read and follow product label directions
