Vitamin D3, min.....	20,000 IU/lb
Vitamin E, min.....	100 IU/lb

Key Features & Benefits:

- **A True Protein Supplement** (no urea) specifically designed to improve low to medium quality forage utilization like dormant pastures and crop residues
- **Designed** to provide a balanced blend of vitamins, minerals and rumen degradable protein to help improve forage utilization and energy availability
- **Continuous Availability** with self-fed access provides supplemental nutrition regardless of conditions, 24/7
- **Significantly Reduces** cost associated with labor, equipment, feed delivery and waste

Tub Management Guidelines:

Expected Intake: 0.50-1 lb per head per day
Offer one, 200 lb tub per 35-50 head of cattle initially, adjust number if needed to achieve desired intake
This product sheet is intended to provide feeding guidelines, always read and follow product label directions
